

THE PLUMBERS FIELD GUIDE

SABS

The Plumbing Industry Registration Board in association with the Institute of Plumbing and the South Africa Bureau of Standards have compiled all the relevant Plumbing Installation Standards into one sturdy four ring binder. The Plumbers Field guide has been compacted and design is such that it is not cumbersome to carry and is easily stored into your tool box or left in your service vehicle. The Plumber Field guide comprise of **SANS 10252 part 1**; **SANS 10252 part 2**; **SANS 10254**; **SANS 10400** and **SANS 10106** (still under review) for easy reference.
